On the banks of conewango, just above the dam. Stands the Beaty/Junior High School, stately and so grand. True to Beaty we will ever loudly sing her praise. Hail to Beaty Jr High School, hail to thee always.

Roe v. Wade was ruled before ultrasounds reached America.

We now know children in the womb:
- **Suck their thumbs**
- **Feel pain**
- **Feel joy**
- **Respond to light**
- **Develop food preferences**
- **Recognize their mother's voice.**

It's time for our laws to reflect modern science.
